8. Unfinished Business, Notice of Motions and Resolutions Placed on Agenda by Members of Council

8.1 Stop Sign at Illinois Avenue and Texas Avenue

34 - 35

Mover Councillor P. Christian

Seconder Councillor S. Hollingsworth

Whereas Holy Cross is a large elementary school in the east end of the city and;

Whereas as a result of its size, many children are bused or driven to school on a daily basis and;

Whereas as a result, vehicular traffic on Texas Avenue has increased significantly and;

Whereas many of the students who walk to Holy Cross on a daily basis live at the north end of Texas Avenue and streets located northeast of the school. (Sutton Place, Bristol Place, Chartwell Drive) and;

Whereas dozens of students must cross Texas Avenue at the intersection of Illinois Avenue to access these streets and;

Whereas this intersection currently has a yield sign at the end of Illinois which does not completely stop traffic as it turns right on to Texas Avenue;

Now Therefore Be It Resolved that staff be requested to report on the feasibility of installing a stop sign at the intersection of Illinois Avenue and Texas Avenue to improve pedestrian safety.

8.2 Local COVID-19 Heroes

Mover Councillor L. Vezeau-Allen

Seconder Councillor L. Dufour

Whereas the COVID-19 pandemic has greatly affected the day to day lives of not just our global community, but our local community of Sault Ste Marie; and

Whereas the pandemic has created difficulty for many in our community to access day to day living essentials and many essential workers put themselves at risk daily; and

Whereas they have been many reports of individuals, groups, organizations and businesses going above and beyond to assist their neighbours or recognize the difficult work of our front-line workers, grocery retail staff and other essential service workers;

Now Therefore Be It Resolved that amidst the COVID-19 pandemic, the City of Sault Ste Marie establish an honorary award for these unsung heroes at this time and strike a subcommittee to receive nominations and establish criteria for our local heroes of COVID-19 in our community of Sault Ste. Marie.

7. Reports of City Departments, Boards and Committees

7.1 Administration

7.1.1 COVID-19 Update

The report of the Chief Administrative Officer was received by Council.

Moved by: Councillor P. Christian

Seconded by: Councillor C. Gardi

Whereas we recognize the COVID–19 pandemic is a highly contagious virus; and

Whereas we know that the COVID–19 virus is in Northern Ontario and the Algoma region; and

Whereas we know that hundreds of thousands of people have returned or are returning from March break vacations and from winter destinations in the US and that those returning people represent an additional risk of introducing COVID–19 into and around our community; and

Whereas the City, Algoma Public Health, Sault Area Hospital and other community partners have been advising people to practice social distancing and self-isolate, and specifically asking all returnees from out of country to self-isolate; and

Whereas we all still need to engage in essential activities such as grocery shopping and picking up prescriptions or over the counter medication; and

Whereas it is critically important to our community, its health and well-being, and the health and well-being of our Province and Country that we slow the spread of COVID-19 and that we all have to do our part to slow the spread of COVID-19;

Now Therefore Be It Resolved that City Council requests all of the citizens of the community:

- a. Learn about COVID-19 and its symptoms at www.algomapublichealth.ca;
- b. Self-isolate for 14 days if they have any of the symptoms of COVID-19;
- c. Self-isolate for 14 days if they have returned from out of country travel;
- d. For those people not in self-isolation, learn about and practice social distancing;
- e. For each of us to encourage our family, friends and associates to self-isolate if they have symptoms or if they have returned from out of country travel;
- f. For each of us to extend a hand and assist those in self-isolation so that we can assure people have what they need when self-isolating.

Be It Further Resolved that City Council requests all of the business of our community, specifically including all grocery stores, pharmacies and other operations providing essential services:

- a. Learn about COVID-19 and its symptoms at www.algomapublichealth.ca;
- b. Establish and implement cleaning protocols sufficient to eliminate and/or reduce the risk of the transmission of COVID-19 at their operation;
- c. To reduce and limit the number of people permitted into their store at the same time and at a level significantly below their capacity, so that all people within their facility have plenty of space to maintain proper social distancing;
- d. To mark and maintain proper social distancing spacing at all cashier and checkout stations;
- e. To work with and adhere to any recommendation that Algoma Public Health makes that exceed any of the requests made herein.

Mayor

City Clerk

Proposal to City Council

Robert Brewer, President & CEO
April 6, 2020

We are here to help.

PUC Services recognizes the impact and stress COVID-19 is causing in people's daily lives. As the COVID-19 pandemic continues to evolve, one thing that won't change is our commitment to providing you with safe, reliable and affordable electricity, water and wastewater services.

We understand there are customers who are unable to work because of self-isolation or illness or are struggling with other pandemic related consequences. Recognizing the uncertainty for businesses and residents, PUC has measures in place to help you get through these difficult times:

1

We have extended the suspension of electricity disconnections to July 31, 2020

4

We will work with you to access programs to help you manage your electricity costs, including the Low-income Energy Assistance Program and the Ontario Electricity Support Program

2

We are committed to being flexible with all business and residential customers, and have options in place such as payment plans, extended credit terms and more.

5

PUC is actively warning customers of ongoing phone scams demanding payment and/or threatening disconnections.

3

Households, farms and small businesses who pay time-of-use electricity rates will be temporarily charged off-peak rates 24 hours a day, seven days a week.

We do not yet know what the impact of COVID-19 will be on our customers. In order to have the resources available to provide flexibility, ***when and if needed***, PUC is taking the initiative to think ahead and plan for the future.

As a proactive measure only, PUC is asking for City Council to approve the following:

- Opening Infrastructure Ontario (IO) \$30M Credit Facility
- Drawdown \$5.8M from IO Credit Facility
- Opening Operating Line of Credit ~\$4.5M

As an essential service provider and community partner, we are committed to ensuring our customers are safe, the lights are on, and the water is running. This strategy will ensure we have the resources available to provide flexibility to our customers during these unprecedented times.

RE: Tender for Selected Granular Materials

PURPOSE

Attached hereto for your information and consideration is a summary of the tenders received for the supply of Selected Granular Materials as required by the City Corporation for the 2020 and 2021 Seasons. Staff is seeking Council approval of the tender recommendation.

BACKGROUND

The tender was publicly advertised and tender documents forwarded to all firms on our bidders list. A public opening of the tender was held February 19, 2020 with the Deputy City Clerk in attendance.

ANALYSIS

The tenders received have been thoroughly evaluated and reviewed, taking into consideration pit locations, job requirement locations, and prices, with the Superintendent, and Director of Public Works. We have determined that issuing a Standing Order to each firm, and using the different pit locations with reference to the job site location, along with the lowest tendered price, will best suit the construction needs of Public Works.

Also included on the summary is the pricing submitted by the sole supplier for alternative granular products for which there is a need in certain construction applications.

FINANCIAL IMPLICATIONS

Funding for the purchase of various Granular Materials as required will be drawn from various Construction Accounts. During 2020 Budget deliberations, Council approved funding in the amount of \$86,500 for Granular Materials.

STRATEGIC PLAN / POLICY IMPACT

This is an operational matter not articulated in the Corporate Strategic Plan.

RECOMMENDATION

Resolved that the report of the Manager of Purchasing dated 2020 04 06 be received, and the recommendation that the tender for the supply of Selected Granular Materials for the 2020 and 2021 Seasons be awarded on an as required basis, be approved. Staff will use all pricing supplied, along with City job site location and availability determined by the Superintendent of Public Works and his staff for the lowest cost rating for each job as they arise.

Further that the recommendation that the City's requirements for Blast Furnace Slag be awarded to Inter-Ontario Equipment Rental and Repair Ltd. for a period of one (1) year at their tendered prices of \$7.45 per tonne for 7/8" Minus Granular "A", and \$7.30 per tonne plus HST for Nut Slag, on a sole source basis, be approved.

TO: Mayor Christian Provenzano and Members of City Council
AUTHOR: Susan Hamilton Beach, P. Eng, Director of Public Works
DEPARTMENT: Public Works and Engineering Services
RE: Public Works Operational Delays Due to COVID - 19

PURPOSE

The purpose of this report is to inform Council of a number of operational delays this Spring due to the COVID-19 pandemic.

BACKGROUND

Traditionally, Public Works have a number of services which begin throughout the upcoming months which will be delayed due to the current pandemic.

ANALYSIS

Please find below the dates impacted and any foreseeable issues or timeline adjustments to allow the service to initiate.

Waste Management

The HHW Depot was scheduled to open as of April 14th, 2020. This will be delayed until May 11th or until advised. This facility requires public interaction and contractor service for transport and disposal. Anticipating two (2) weeks time for adequate set-up, training and announcements, a public notice will be provided.

The landfill was set to be open to the public on Saturdays commencing April 11th, 2020. It is proposed that this opening be delayed until May 11th or until further advised. Currently, the landfill remains open to the public each weekday for the receipt of degrading household waste – deemed for essential use only. Residents should not be using the landfill services for construction waste or Spring cleaning during the COVID-19 pandemic. Scheduling of the sixth day (ie. Saturdays) may occur once staffing levels are restored. Approximately, two (2) weeks public notice will be provided.

The collection of leaf and yard waste was also scheduled to begin as of Monday, May 4th, 2020. This collection is planned to be delayed until the week of May 11th, 2020 or until further notice. As this is dependent on sufficient staffing levels

in the Public Works Operations Division, it is planned that two (2) weeks public notice will be provided.

Parks Division

Pointe Des Chenes day-park and campground was planned to open to campers approximately May 16th, 2020. The commissioning of the water system for the comfort stations is required prior to the opening date, originally planned for the first week of May. There are also operational improvements to the water system being designed, which will require a 4 – 6 week period of time at normal operational levels. Operational staff for Public Works and the PUC (Water Plant Operators) will do our best to attend to those matters required at this facility, however, it cannot be the priority of staff during the time of the pandemic. Staff will consider all of these needs, and will commit to a future announcement regarding the opening date.

FINANCIAL IMPLICATIONS

There are no predicted significant financial implications to those delays in the area of Waste Management. Communication with the Lions Club regarding the delay to the opening of the Pointe Des Chenes campground will be ongoing with the goal to minimize the financial implications to all users and those that benefit from this service.

STRATEGIC PLAN / POLICY IMPACT

The focus of this report are operational matters and are not articulated in the Strategic Plan.

RECOMMENDATION

It is therefore recommended that Council take the following action:

Resolved that the report of the Director of Public Works dated April 6th, 2020 be received and that Council approve the delay in the start of waste management services including the HHW Depot, landfill Saturday service and leaf and yard waste collection in addition to the delay in the opening of the Pointe Des Chenes campground until further public announcement due to COVID-19 pandemic.

RE: Second Avenue Reconstruction

PURPOSE

The purpose of this report is to obtain approval to award Contract 2020-2E. The project includes the reconstruction of Second Avenue from Second Line West to Connaught Avenue.

BACKGROUND

In the current Five Year Capital Road Reconstruction Plan, the reconstruction of Second Avenue is planned for 2020.

Tenders received for Contract 2020-2E were opened at a public meeting Wednesday, March 18, 2020 in the Russ Ramsay Room of the Civic Centre. Present at the opening was Deputy City Clerk Maddison Zuppa as well as City staff and contractor representatives.

ANALYSIS

A total of four (4) tenders were received. All tenders submitted were found to be complete. The low tender of \$1,533,045.51 (excluding HST) was received from Avery Construction Limited.

FINANCIAL IMPLICATIONS

When recoverable PUC costs are removed and non-recoverable HST are added, the City's cost to complete this project is projected to be \$1,244,615. This is above the allocation in the 2020 capital budget of \$1,070,000. When individual budget allocations are considered, the project is over the urban only allocation by \$55,400, it is over the overall capital allocation by \$115,251 and over the sanitary sewer budget by \$3,964.

However, the projects all carry contingency allowances built into the contracts that often are not spent. As subsequent tenders come in for the other projects, staff will monitor the 2020 Construction Program to ensure that they come in, on or near budget. Staff will continue to keep Council informed.

STRATEGIC PLAN / POLICY IMPACT

This report is linked to the new infrastructure focus area of the strategic plan.

RECOMMENDATION

It is therefore recommended that Council take the following action:

Resolved that the report of the Manager of Design and Transportation Engineering, dated 2020 04 06, concerning the reconstruction of Second Avenue, be received and the recommendation that Contract 2020-2E be awarded to Avery Construction Limited, be approved.

By-law 2020-85 authorizing execution of Contract 2020-2E and By-law 2020-86 authorizing the road closure of Second Avenue between Second Line West and Connaught Avenue from May 1, 2020 until October 31, 2020 appear elsewhere on the Agenda and are recommended for approval.

TO: Mayor Christian Provenzano and Members of City Council
AUTHOR: Peter Tonazzo, RPP, Senior Planner
DEPARTMENT: Community Development and Enterprise Services
RE: A-1-20-Z 25 Donna Drive (1890714 Ontario Inc.)

PURPOSE

The Applicant, 1890714 Ontario Inc. (c/o Steve Ficociello), is requesting to rezone the subject property to facilitate the construction of 22 multiple attached (townhouse) dwelling units with access onto Donna Drive.

PROPOSED CHANGE

The applicant is seeking Council's approval to rezone the subject property from Single Detached Residential Zone (R2) and Parks and Recreation Zone (PR) to Low Density Residential Zone (R3.S) with a special exception to reduce the rear yard (Second Line) setback requirement from 10m to 7.5m.

Subject Property

- Location – The 'Through Lot' has frontage upon Second Line West and Donna Drive, located approximately 112m (367') west of the intersection of Second Line West and Prentice Avenue.
- Size: The rectangular parcel has approximately 41m (135') frontage on Donna Drive and 78m (256') frontage along Second Line West, with 156m (512') depth, totalling 1.25ha (3.08acres).
- Present Use: Vacant property – formerly Prince of Whales School
- Owner: 1890714 Ontario Inc.

BACKGROUND

On February 24th, Council passed the following Resolution:

'Resolved that the report of the Senior Planner dated 2020 02 24 concerning rezoning application A-1-20-Z be received and be postponed to the April 6, 2020 meeting.'

The applicant requested the postponement to address a number of issues, including access and the presence of a PUC monitoring well that was discovered on the subject property.

ANALYSIS

Given the current situation (COVID-19), it is recommended that this matter be deferred indefinitely. Once a new Council date has been determined, staff will provide new public notice, in accordance with the Planning Act.

FINANCIAL IMPLICATIONS

Postponing this application does not have any financial impacts.

STRATEGIC PLAN / POLICY IMPACT

Postponing this application is not linked to any policies within the Corporate Strategic Plan.

RECOMMENDATION

It is therefore recommended that Council take the following action:

Resolved that the Report of the Senior Planner dated 2020 04 06 concerning Rezoning Application A-1-20-Z be received and that Council postpone this application indefinitely.

Respectfully submitted,
